

Trying + Failure + Trying² = Success

Read the paragraph below. Use binary code to find the missing words and fill in the blanks.

Did you know that each time you _____, then fail, and try
again, you learn something new, and your _____
cells grow? Each Megageex had failures and difficulties during
their lives, but they _____!

A challenge is an opportunity to study, learn, and grow your brain!

Notable failures by the Megageex:

CJ Walker tried many times before she got her hair formulas just right.

Thomas Edison failed over 10000 times to create a lightbulb.

Einstein could not get a job as a professor after he graduated.

Charles Darwin quit college not once, but twice.

The Alan Turing 3D Mini-Kit is available now!

Alan Turing (1912 - 1954) is considered the “father of computer science”, and pioneered artificial intelligence. He built early computers to break German codes and help win World War II.
